You know, I have seen many things in this museum, but I still have not seen everything in the whole wide world. Where did they put everything else?
SPOILER ALERT!
Look at this!

Buildings!

Mountains...

Bushes!

Windows!
The average software developer, for example, doesn't own a single book on the subject of his or her work, and hasn't ever read one.
WHAT COMPUTER SCIENTISTS KNOW

- Artificial Intelligence
- Algorithmic Analysis
- Operating Systems
- Compilers
- Algorithms
- Security
- Distributed Systems
- Networking
- Databases
- C
- C++
- Programming
- Graphics
- Unit Testing
WHAT SOFTWARE ENGINEERS KNOW

- Algorithmic Analysis
- Artificial Intelligence
- Operating Systems
- Compilers
- Algorithms
- Security
- Distributed Systems
- Networking
- Databases
- Graphics
- C++

Programming

- Requirements Analysis
- Code Complexity
- Unified Modeling Language
- Agile Methods
- Test Planning
- Risk Identification
- Project Estimates

- Unit Testing
- Object-Oriented Analysis and Design

C++
WHAT PROGRAMMERS KNOW

- Algorithms
- Algorithmic Analysis
- Programming
- Compilers
- Operating Systems
- Distributed Systems
- Networking
- Security
- Artificial Intelligence
- Requirements Analysis
- Unit Testing
- Object-Oriented Analysis and Design
- Unified Modeling Language
- Risk Identification
- Test Planning
- Project Estimates
- Code Complexity
- Agile Methods
- C
- C++
- .Net
- HTML
- SQL
- Graphics
- Python
- Java
- Perl
- Software Certification
- Project Estimates

EVERYTHING ELSE
Ryan Cooper's top 10

Jurgen Appelo's top 20

DZone's top 10

Many active Agile lists at Yahoo groups. I subscribe to

- http://tech.groups.yahoo.com/group/agile-testing/
- http://tech.groups.yahoo.com/group/leanagile/
- http://tech.groups.yahoo.com/group/extremeprogramming/

Mark Levison's list of Agile mailing lists

- From 2009 but still mostly valid
BLOGS I FOLLOW

- Object Mentor
  - http://blog.objectmentor.com/
- VersionOne
- Martin Fowler
  - http://martinfowler.com/
- Agile Warrior
  - http://agilewarrior.wordpress.com/
- Dean Leffingwell
  - http://scalingsoftwareagility.wordpress.com/
- Mike Cohn
  - http://blog.mountaingoatsoftware.com/
- Jeff Patton
  - http://www.agileproductdesign.com/blog/
INFOQ: talks, articles, summaries of mailing list discussions, on a wide range of software development issues.

- Available via RSS and other feeds

- All about Agile blog list

- AgileFlow blog aggregator
  - [http://agileflow.net/](http://agileflow.net/)
